Your Parts - Our Solutions

Let the Professionals at Qualified Technologies Corporation (QTC)
Assist You With Your Specialized Maintenance Needs

Our Promise

- ▶ **Guaranteed Lowest Prices**
- ▶ **Quick Turn-Around**
- ▶ **Personalized Customer Support**

.....
*"The QTC team understands the needs to reduce
expenses without sacrificing quality."*
.....

Who is QTC?

QTC was founded by veterans of the aircraft components repair industry who recognized the need for a repair station dedicated to **aggressive customer service, best possible pricing and OEM level warranty and support.**

.....
*"Our team has extensive experience in offering
OEM quality service and support."*
.....

Our Solution

Current customers benefit from our newly developed processes that provide lower pricing and timely overhaul services while maintaining OEM warranty and quality standards.

.....
*"Our goal is to ensure that your parts are serviced
quickly, accurately and in a cost effective manner."*
